

Search by company

Unless otherwise requested, an alphabetical list of **all the companies** is displayed in the scrolling menu. By selecting one letter you will get the list of all the companies whose name starts with that letter.

You can also select a list of
the manufacturers,
the wholesalers,
the retailers,
the service companies,
the monetary intermediation.

You can also launch a plain text search among all the companies. The search is based on the name and the description of the companies.

To get information about a company, just click on its name in the list. The **"Fact sheet"** will be displayed.

Search by products and services

Unless otherwise requested, an **alphabetical list** of the products and services starting with the letter "A" is displayed in the scrolling menu.

By selecting one letter you will get the list of all the products and services whose indication starts with that letter.

Select a product or a service to get the **list of related companies**. The number shown in brackets next to the company's name allows you to identify the nature of that company: manufacturer, wholesaler, retailer, or service company. Click on the company's name to visualize its **fact sheet**.

You can also select a **listing by subject** of products and services or launch a **plain text search of products and services**.

Search by NACE code

Unless otherwise requested, an **alphabetical list** of the NACE codes starting with the letter "A" is displayed in the scrolling menu.

By selecting one letter you will get the list of all the NACE codes whose indication starts with that letter.

Select a NACE code to get the **list of related companies**. Click on the company's name to visualize its **fact sheet**.

You can also select a **listing by code** of NACE codes or launch a **plain text search of NACE codes**.

Fact sheet

The Fact sheet supplies information concerning the company you selected. You can **print** this fact sheet and **add it to bookmark**.

Bookmark

The scrolling menu contains all the names of the companies you added to bookmark. Click on the name to visualize the fact sheet. Clicking on "**print**" will print out all the fact sheets of the companies you selected.

To delete a name, press the "Shift" (Upper case) button while clicking with the mouse on the name of the company you wish to delete from bookmark.
